"The venue was excellent and because of its size it lends itself to a warm and friendly festive environment where we could mingle with other guests very easily in a very Relaxed atmosphere.

The food and the quality of service was excellent and the staff also entered into the festive spirit by engaging with all the guests.

The after meal entertainment was excellent and with most of us living within a few miles radius of the venue we were only too delighted to support a local business . Free parking was also an added bonus and we had no difficulty getting taxis home, thanks to the help of the friendly staff at The Arches."

- Paul Harty, Car Parts Warehouse

"I can't praise the Arches Hotel staff and Management who catered for our Christmas party in December 2018.

It was a wonderful experience from beginning to end. On arrival we were greeted with a champagne reception. The room was very tasteful decorated which gave a very festive ambience.

The menu had plenty of options with something to please everyone. The service was amazing, the food arrived promptly and was delicious.

There were twenty in our group and all were very impressed with the overall experience. On the night there were four other large groups also having their Christmas parties which added to the atmosphere."

- Eileen Crowe-Lynch, Claregalway Walkers & Trekkers

"Great choice of scrumptious food, superb service and a fabulous venue in a great location . The Arches Hotel has everything you need to cater for all group sizes. We keep coming back! We're already looking forward to our next visit! Well done Brendan and all the crew for always making us feel so welcome. Many thanks."

- Fergal Naughton, Principal Castlehackett N.S.
